

**Georgia EPD Workshop on US EPA's
Greenhouse Gas Regulations and their Impact
in Georgia**

November 9, 10 and 19, 2010

**The Prevention of Significant Deterioration
and
Title V Greenhouse Gas Tailoring Rule**

Welcome

- Logistics
- Materials Online
- Topics Covered
- Topics Not Covered
- Format
 - About 1/2 to 2/3 of the time for each agenda item for EPD to present material. Remaining time set aside for questions and discussion. Extended break times for additional discussion opportunities.

On the fast track...

- This has been a fast (relatively speaking) developing issue (regulating GHGs under the Clean Air Act)
 - Endangerment Finding Proposed on April 17, 2009
 - Final Rule: Published in FR December 15, 2009
 - Congressional Legislation dealing w/ GHGs
 - Ability to get 60 votes in U.S. Senate

Today...

- Discussing implementation of final federal rules
 - Federal
 - Final
 - State rules are not final
 - Implementation
