Program Directory

Air Protection Branch

Main Phone Number 404-363-7000
Directory Pages 5-7
Examples of Topics: Air Quality, Air Toxics, Radioactive Materials & Vehicle Emissions

Land Protection Branch

Main Phone Numbers 404-362-2537 or 404-656-7802
Directory Pages 8-11
Examples of Topics: Asbestos/Lead Paint, Hazardous Waste, Underground Storage, Scrap Tires & Solid Waste/Bio-Medical Waste

Watershed Protection Branch

Main Phone Number 404-463-1511
Directory Pages 12-15
Examples of Topics: Agriculture Permits, Drinking Water, Erosion/ Sedimentation, Storm Water & Wastewater Regulations

District Offices

Directory Pages 16-18
Coastal District (Brunswick Office) (912) 264-7284
East Central District (Augusta Office) (706) 667-4343
Mountain District (Atlanta & Cartersville Offices) (770) 387-4900
Northeast District (Athens Office) (706) 369-6376
Southwest District (Albany Office) (229) 430-4144
West Central District (Macon Office) (478) 751-6612

Land Protection Branch – Floyd Tower Offices

Branch Chief: Jeff Cown 404-463-8509
Assistant Branch Chief: Beth Blalock 404-232-1346
 Administrative Assistant: Tamara Fischer 404-362-2695
 Office Manager: Celest Smith 404-657-8688
 2 Martin Luther King Jr. Drive, SE Suite 1054 East Floyd Tower
 Atlanta, GA 30334-9000
 Phone: (404) 656-7802

HAZARDOUS WASTE CORRECTIVE ACTION

Jim Brown 404-656-8644
Program Manager

- ◆ Remedial Sites Unit 1
(Jim McNamara 404-657-8620)
 - ◆ Remedial Sites Unit 2
(John Fonk 404-657-8614)
 - ◆ Remedial Sites Unit 3
(Bruce Khaleghi 404-657-8830)
 - ◆ Risk Assessment Unit
(Shanna Alexander 404-657-8658)
- Post-closure permitting, compliance monitoring, and enforcement at closed hazardous waste land disposal facilities
 - Review cleanups for privately-owned/operated National Priorities List sites
 - Perform risk assessments for both human health and ecological impacts
 - Review delisting petitions

2 Martin Luther King Jr. Drive
 Suite 1054 East
 Atlanta, GA 30334-9000
 Phone: (404) 656-7802
 Fax: (404) 651-9425

RESPONSE & REMEDIATION

Jason Metzger 404-657-8610
Program Manager

- ◆ Response Development Unit 1
(David Brownlee 404-657-8690)
 - ◆ Response Development Unit 2
(Kevin Collins 404-657-8610)
 - ◆ Response Development Unit 3
(David Hayes 404-657-8672)
 - ◆ Brownfields Unit
(Shannon Ridley 404-657-8616)
- Publish the Hazardous Sites Inventory (HSI)
 - Take enforcement actions requiring responsible parties to do site investigations and cleanups
 - Oversee contaminated sites being investigated and cleaned up by responsible parties
 - Require notification for releases of hazardous substances
 - Clean up sites using Hazardous Waste Trust Fund when responsible parties are unwilling or unable
 - Pursue cost recovery against responsible parties when Hazardous Waste Trust Fund has been used
 - Fund state and local government costs associated with investigating and cleaning up solid waste handling facilities
 - Conduct preliminary assessments and site evaluations for the federal Superfund program
 - Oversees cleanup of contaminated property conducted by private parties under the Georgia Hazardous Site Reuse and Redevelopment (“Brownfields”) Act
 - Issues limitation of liability certificates for brownfields properties where cleanups have been completed
 - Reviews and certifies brownfields cleanup costs eligible for property tax abatement

2 Martin Luther King Jr. Drive
 Suite 1054 East
 Atlanta, GA 30334-9000
 Phone: (404) 657-8600
 Fax: (404) 651-9425

Land Protection Branch – Floyd Tower Offices (continued)

Branch Chief: Jeff Cown 404-463-8509

Assistant Branch Chief: Beth Blalock 404-232-1346

Administrative Assistant: Tamara Fischer 404-362-2695

Office Manager: Celest Smith 404-657-8688

2 Martin Luther King Jr. Drive, SE Suite 1054 East Floyd Tower

Atlanta, GA 30334-9000

Phone: (404) 656-7802

HAZARDOUS WASTE MANAGEMENT

Jane Hendricks 404-657-8622

Program Manager

- ◆ Generator Compliance Unit
(Michelle Zackery 404-657-8841) Acting
- ◆ Department of Defense Unit
(Amy Potter 404-657-8604)
- ◆ Treatment & Storage Unit
(Mike Elster 404-657-8624)

Conduct Resource Conservation and Recovery Act (RCRA) compliance monitoring and enforcement at the following:

- Hazardous waste generators, hazardous waste transporters, universal waste facilities, marketers of hazardous waste fuel, and used oil transporters and facilities; and
- Permitted treatment, storage, and disposal facilities (TSDFs), such as commercial TSDFs, and Department of Defense TSDFs.
- RCRA permitting at hazardous waste TSDFs, including commercial TSDFs, and Department of Defense TSDFs
- Oversee the investigation and remediation of hazardous constituent releases to soil, groundwater, sediment, and surface water, at hazardous waste facilities regulated under the Georgia Hazardous Waste Management Act
- Oversee the investigation and remediation of National Priorities List sites
- Investigate citizen complaints and provide technical assistance regarding the management of hazardous waste

2 Martin Luther King Jr. Drive
Suite 1054 East
Atlanta, GA 30334-9000
Phone: (404) 656-2833
Fax: (404) 651-9425

Land Protection Branch – Tradeport Offices

Branch Chief: Jeff Cown 404-463-8509

Assistant Branch Chief: Beth Blalock 404-232-1346

Administrative Assistant: Tamara Fischer 404-362-2695

Office Manager: Celest Smith 404-362-2610

4244 International Parkway, Suite 104

Atlanta, GA 30354-3906

Phone: (404) 362-2537

SOLID WASTE MANAGEMENT

William Cook 404-363-7031

Program Manager

- ◆ Industrial/Municipal Solid Waste Unit (Chad Hall 404-362-4893)
- ◆ Surface Mining Unit (Vacant)
- ◆ Environmental Monitoring Compliance Unit (Christy Kehn-Lewis 404-362-2559)
- ◆ Waste Reduction Unit (WRU) (Vacant)
- ◆ Scrap Tire Compliance Unit (ST) (Jamie Lancaster 404-362-2552)

- Review applications and plans for solid waste handling facilities (including landfills, incinerators, materials recovery facilities, compost facilities) and issue permits for solid waste handling facilities
- Conduct compliance inspections for industrial solid waste facilities
- Coordinate Landfill Operator Certification Program
- Review applications, approve surface mining land use plans and issue surface mining permits
- Review and approve bonding requirements for surface mining operations and ensure reclamation of completed mining operations
- Review remediation plans and analyses of ground water, surface water and methane monitoring at solid waste handling facilities
- Review site suitability reports for solid waste handling facilities
- Review corrective action plans for ground water and methane compliance violations
- Issue generator identification numbers, carrier permits, and processor approvals for scrap tire handlers
- Use state contractors and grants to clean up scrap tire piles
- Assist local communities with solid waste planning and education
- Issue scrap tire clean up and education / enforcement grants to local governments
- Administer the Solid Waste Trust Fund

4244 International Parkway
Suite 104

Atlanta, GA 30354-3906

Phone: (404) 362-2692, -2696

Fax: (404) 362-2693

Phone: (404) 362-2537 (WRU), (404) 363-7027 (ST)

Fax: (404) 362-2550 (WRU & ST)

UNDERGROUND STORAGE TANK MANAGEMENT

Lon Revall 404-362-2582

Program Manager

- ◆ Corrective Action Unit I (Ron Wallace 404-362-2589)
- ◆ Corrective Action Unit II (Kelly Adams 404-362-4888)
- ◆ Regulatory Compliance Unit (Richard Strickfaden 404-362-2687)
- ◆ Petroleum Industry Regulatory Team (Shaheer Muhanna 404-362-2579)

- Conduct compliance inspections and enforcement of regulations for installation, operation, closure, and clean-up of petroleum and hazardous substance underground storage tank (UST) systems
- Enforce spill, overfill, and corrosion protection requirements
- Ensure compliance with Stage I and II gasoline vapor recovery rules at gasoline filling stations
- Ensure annual registrations of operating UST systems
- Review and approve UST closure reports and corrective action plans
- Provide corrective action contractors for cleanup of eligible UST facilities
- Administer the Georgia Underground Storage Tank and Leaking Underground Storage Tank Trust Funds
- Responsible for compliance monitoring and inspections at all USTs located in the 13 county Metro Atlanta air non-attainment area. Inspections include evaluations of compliance with both the underground storage tank rules and air quality rules.

4244 International Parkway
Suite 104

Atlanta, GA 30354-3906

Phone: (404) 362-2687

Fax: (404) 362-2654

Land Protection Branch – Tradeport Offices (continued)

Branch Chief: Jeff Cown 404-463-8509

Assistant Branch Chief: Beth Blalock 404-232-1346

Administrative Assistant: Tamara Fischer 404-362-2695

Office Manager: Celeste Smith 404-657-8688

International Parkway, Suite 104

Atlanta, GA 30354-3906

Phone: (404) 362-2537

MANAGEMENT & SUPPORT

- ◆ Facilities and File Room Management Unit
(Maggie Williams 404-362-4937)

- File Room – Management of the Public File Review consisting of Underground Storage Tank Management Program files and Solid Waste Management Program files

4244 International Parkway, Suite 104
Atlanta, GA 30354-3906
Phone: (404) 362-2537
Fax: (404) 362-2607

LEAD-BASED PAINT & ASBESTOS

Jennifer Vogel 404-363-7043

Unit Coordinator

- ◆ Compliance/Outreach Team 1
(Marcus Mincey 404-362-2575)
- ◆ Compliance/Outreach Team 2
(Debbie Hammond 404-363-7026, Acting)

- Certify lead-based paint contractors
- Accreditead lead-based paint and asbestos training providers
- Impose and enforce work standards for lead-based paint and asbestos abatement projects
- License contractors to remove friable asbestos
- Enforce training requirements for asbestos supervisors and asbestos contractors

4244 International Parkway, Suite 104
Atlanta, GA 30354-3906
Phone: (404) 363-7026
Fax: (404) 362-2607

Watershed Protection Branch

Branch Chief: James A. (Jac) Capp 404-463-4911

Assistant Branch Chief: Gail Cowie (Chattahoochee/Coosa/Flint/Ochlockonee/Tennessee River Basins) 404-657-5739

Assistant Branch Chief: Jeff Larson (Altamaha/Ocmulgee/Savannah/Ogeechee/Suwannee-Satilla/St. Mary's River Basins) 404-232-1562

Office Manager: Arnettia Murphy 404-656-4157

WATERSHED COMPLIANCE

Lewis Hays 404-463-4953
Program Manager

- ◆ Compliance & Enforcement Unit (Carla Foy 404-463-4940)
- ◆ Drinking Water Inspection Team (Vacant)
- ◆ Industrial, Pretreatment & CAFO Compliance Unit (Jill Causse 404-463-4942)
- ◆ Municipal Compliance Unit (Marzieh Shahbazaz 404-463-4933)
- ◆ Safe Dams Unit (Tom Woosley 404-651-8488)

REGULATORY SUPPORT

Becky Champion 404-463-4950
Program Manager

- ◆ Regulatory Development Unit (Jennifer Welte 404-463-1694)
- ◆ Office Manager (Arnettia Murphy 404-656-1511)

- Continuously monitor high hazard dams for safety; inventory and classify dams based on development within the dam failure flood zone downstream
- Approve plans and specifications for construction and repair of all high hazard dams
- Respond to, and provide technical advice during, emergencies affecting drinking water facilities and dams; initiate boil water notices.
- Ensure compliance with the Safe Drinking Water Act and specifically with regulations concerning: lead & copper, surface water treatment, consumer confidence, and microbiological, chemical, radiological contaminants and disinfection byproducts in public water systems
- Inspect and certify public water systems and laboratories that analyze drinking water samples; conduct sanitary surveys to ensure proper operation and maintenance of facilities.
- Provide technical assistance to operators and administrators of public water systems
- Inspect public water systems to ensure that the water plant, distribution system and water storage facilities are properly operated and maintained
- Enforce the state and federal surface water treatment and disinfection byproducts rules
- Monitor and enforce NPDES, LAS and pretreatment permit compliance for municipal and industrial facilities
- Inspect permitted facilities and pretreatment programs
- Respond to citizen complaints regarding water quality problems

- Coordinating and tracking progress on the Branch's EPA approved Work Plans
- Coordinating responses for OPB Performance Measures
- Coordinating the Rulemaking schedule with the Director's Office.
- Developing and maintaining all Branch rules, DNR Board packages, Secretary of State packages, and rule-related stakeholder and public hearings
- Tracking and managing organizational and procedural changes in the Branch
- Serving as the central point of coordination for the support of the Regional Water Councils and the Regional Water Plans
- Managing the administrative staff that provides all administrative support (mail, filing, time sheets, etc.) to the Branch programs
- Coordinating and responding to GORA requests
- Maintaining the public files and complying with Branch file retention schedules
- Coordinating and serving as the primary point of financial contact between the Branch and the Director's Office

Georgia Environmental Protection Division District Offices

ECO-TIPS – for Georgia's Environment

TO IMPROVE OUR AIR AND REDUCE GLOBAL WARMING:

- ◆ Car pool, van pool, use transit, telework, bike or walk when possible. Cars are the largest cause of our air pollution in most urban areas of Georgia. When you do use your car, plan ahead and combine trips and errands. If you are buying a new car choose a fuel efficient and low emitting model.
 - ◆ Properly maintain your vehicle and keep tires properly inflated.
 - ◆ Limit idling when possible, avoid quick starts and drive within the speed limit.
 - ◆ Refuel cars after 6:00 pm to limit daytime pollution releases and don't top off your tank.
 - ◆ Keep lawn equipment and boats tuned up. Do not use lawn mowers and other gas powered lawn tools on a smog alert day, or use electric tools instead.
 - ◆ Use electric or natural gas grills instead of charcoal and lighter fluids.
 - ◆ Use environmentally-safe paints and cleaning products. Delay use of oil-based paints until after 6:00 pm or after smog season.
 - ◆ Conserve energy and turn off lights when you aren't using them. Set air conditioners to 78°F or higher or use a fan when possible. When buying a new appliance, think of buying one that is energy efficient.
- Remember most of the energy we use comes from the burning of fuel. The more energy efficient we are, the less we pollute.

TO CONSERVE OUR WATER AND PREVENT POLLUTION OF RIVERS & STREAMS:

- ◆ Install ultra low-flow plumbing devices and fixtures. Replace worn out washers on leaky faucets.
- ◆ Take shorter showers. Five minutes or less is probably adequate.
- ◆ Do not use the toilet as a trash can. Each flush uses about 5 gallons.
- ◆ Turn the water off while shaving or brushing teeth. Don't let it run while you're washing your car.
- ◆ Replace leaky toilet valves (a "running toilet" between flushes). You may be losing more than 250 gallons a day.
- ◆ Wash only full loads of clothes and dishes.
- ◆ Don't run the tap to get a cool glass of water.
- ◆ Minimize lawn and garden watering. Water trees, lawns and shrubs slowly to prevent runoff.
- ◆ Participate in a cleanup event (annual river cleanup held each October) or local Adopt-A-Stream program. For information call 1-888-373-5947 (toll free).
- ◆ Buy household products labeled non-toxic, non-phosphorous or water-soluble. Toxic chemicals can harm stream life. Phosphorous can promote excessive growth of weeds and algae.
- ◆ Dispose of trash properly. Styrofoam and plastics can kill fish and wildlife and contaminate water sources.
- ◆ Inspect septic tank system annually. Pump it out every 3-5 years.
- ◆ Do not dispose of solvents, hazardous chemicals or waste in storm or home drains.
- ◆ Use pesticides, herbicides, and fertilizers carefully and sparingly and only when other methods have failed. Do not apply if rain is in the forecast. Remember, anything entering a storm drain goes directly into streams, untreated.
- ◆ When watering lawn and garden, divert garden hoses from paved surfaces onto grass.
- ◆ Do not dump used motor oil or antifreeze down storm drains. Take used motor oil and antifreeze to designated recycling centers.
- ◆ Have your car inspected and maintained regularly. Leakage of fluids will eventually reach the nearest stream.
- ◆ Report any suspicious potential pollutant discharge or illegal dumping activity. Call 1-800-241-4113 (toll free).

TO PROTECT OUR LAND RESOURCES:

- ◆ Choose products and containers that are recyclable.
- ◆ Participate in a community recycling drive or curbside program.
- ◆ Reuse or recycle newspaper, boxes, brown paper bags, packaging peanuts and other packaging materials. Wash and reuse glass and plastic jugs, coffee cans and dairy tubs.
- ◆ Reduce the amount of unnecessary packaging. Buy products that are reusable or packaged in bulk, or buy the large economy size.
- ◆ When possible use rechargeable batteries. This practice will help eliminate toxic metals in soil and ground water.
- ◆ Make sure your vehicle is well maintained and isn't leaking any fluids. Petroleum products can contaminate the soil and ground water.
- ◆ Try using natural household cleansers, such as soap & water, instead of chemical cleansers. If you do need to use products with hazardous components, follow instructions carefully. Any unused portion can be shared with neighbors or donated to businesses and charities or recycled. Do not pour them down the drain or on the ground.
- ◆ Maintain and repair durable products and keep appliances in good working order. Buy high-quality, long-lasting tires, and follow maintenance procedures. This will extend tire life and reduce tire waste.
- ◆ Leave mowed grass clippings on the lawn to decompose and add nutrients to the soil. Start a compost pile with leaves, grass and shrub clippings, and some non-meat food scraps.
