PUBLIC ADVISORY
WATERSHED PROTECTION BRANCH

December 8, 2016
Advisory Issue Date

City of Cochran, Bleckley County
City/County

January 6, 2016
Advisory Close Date

BV-012-16-01
Control Number

GDOT Project
PI #222410

SR 87/US 23 from Log Cabin Road to South of SR 257 Widening and Reconstruction
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or e-mail jarell.singleton@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(a-k)}: h

Description and Location of Proposed Activity:

Application proposes to impact 1,257 linear feet (26,792 square feet) of buffer to three existing open water ponds and one intermittent stream within the Ocmulgee River watershed for the widening and reconstruction of SR 87 and US 23. Disturbance activities will consist of placement of fill, installation of orange barrier fence and type C silt fence, and placement of rip rap within the buffer. The project on SR 87 from Log Cabin Road to South of SR 257 is located between Cochran and Eastman, GA in Bleckley and Dodge Counties.

Name and Address of Permit Applicant:

Mr. Eric Duff
Georgia Department of Transportation
Office of Environmental Services
600 W. Peachtree Street, NW, 16th Floor
Atlanta, Georgia 30308

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.

For Additional Information Contact:

Sophia Grant-Branklyn, Environmental Specialist
EPD, Watershed Protection Branch
NonPoint Source Program
2 MLK, Jr. Dr. S.W., Suite 1462 East
Atlanta, Georgia 30334
Telephone: 404-651-9404 FAX: 404-651-8556
