Notice Close Date

BV-033-16-14
Control Number

Lake Gilham (Category I Dam) – Spillway Maintenance
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2387 or email thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of PermitApplication: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed project involves the maintenance of the *existing* principal spillway for Lake Gilham (Category I Dam) in Cobb County. This project will consist of clearing and grubbing of all inappropriate vegetation and obstructions (e.g., trees, tree stumps and roots), backfilling all depressions with compacted structural fill, and re-establishing a *maintainable*, permanent turf within the earthen spillway channel. The proposed project will result in 204 linear feet total (4,819 square feet total) of buffer disturbances along Lake Gilham and Willeo Creek (tributary to the Chattahoochee River) in the *Upper Chattahoochee Watershed*.

Name and Address of Permit Applicant: Albert G. Schmerge III
CEO, Gilham Holdings, LLC
419 East Crossville Road, Suite 204
Roswell, GA 30075

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
