

ENVIRONMENTAL PROTECTION DIVISION  
PUBLIC NOTICE  
WATERSHED PROTECTION BRANCH

December 8, 2016  
Notice Issue Date

Cobb County  
City / County

January 9, 2017  
Notice Close Date

BV-033-16-17  
Control Number

QuikTrip Corporation – QuikTrip Store No. 0742R – Redevelopment  
(291 Six Flags Drive, Austell, GA 30168)  
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or email [jarell.singleton@dnr.ga.gov](mailto:jarell.singleton@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (h)

Description and Location of Proposed Activity:

The proposed project will consist of removing the *existing* QuikTrip fuel station and convenience store and constructing a *new* QuikTrip fuel station and convenience store on approximately 3.08 acres along Six Flags Drive near Interstate 20 in Cobb County. This project will include an on-site stormwater management system (i.e., dry detention basin and *CST CrystalStream* water quality vault separator). Construction activities (including piping) will result in permanent buffer impacts to 241 linear feet total (13,136 square feet total) to unnamed intermittent stream, a tributary to the *Chattahoochee River in the Middle Chattahoochee – Lake Harding Watershed.*

Name and Address of Permit Applicant: Kyla Rudd  
QuikTrip Corporation  
4705 South 129<sup>th</sup> East Avenue  
Tulsa, OK 74134

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
