

ENVIRONMENTAL PROTECTION DIVISION  
PUBLIC NOTICE  
WATERSHED PROTECTION BRANCH

November 8, 2016  
Notice Issue Date

Gwinnett County  
City / County

December 8, 2016  
Notice Close Date

BV-067-16-07  
Control Number

AGL Resources  
iSRP – Phase II K.0 Suwanee to Friendship Road – Re-Route Project  
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2387 or email [thais.edwards@dnr.ga.gov](mailto:thais.edwards@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (e)

Description and Location of Proposed Activity:

The proposed re-route project will consist of the installation of 2,300 linear feet of a new 12-inch steel natural gas pipeline along existing maintained overhead electric transmission line rights-of-way (ROW) immediately north of Hamilton Mill Road and extending towards Tuggle Road in Gwinnett County. This re-route project will result in an additional 276 linear feet total (12,918 square feet total) of temporary buffer disturbances along associated unnamed tributaries to Sherwood Creek in the Upper Oconee Watershed.

Name and Address of Permit Applicant: Steven M. Murphy  
Vice President, Engineering and Construction  
AGL Resources  
Ten Peachtree Place  
Atlanta, GA 30339

## Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
