Subject: Addendum to the Yellow Pine Energy Company Response dated April 14, 2010

Reference: Air Quality Permit No. 4911-061-001-P-01-0
SIP Application No. 19518, dated March 4, 2010
Yellow Pine Energy Company, LLC, Fort Gaines, AIRS: 06100001

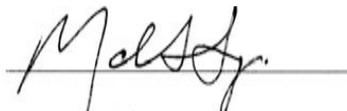

Dear Ms. Tate:

On March 4, 2010, Yellow Pine Energy Company, LLC ("Yellow Pine") submitted a written request for clarifications and modifications to certain conditions in the referenced Air Quality Permit received from the Georgia Environmental Protection Division ("EPD") for the Yellow Pine Energy Station. In a letter dated March 26, 2010, EPD requested certain information. Yellow Pine provided a response to such request on April 14, 2010.

As an addendum to our April 14th submittal, enclosed hereto is a copy of the Supporting Data CD for the additional dispersion modeling conducted by Yellow Pine's consultant. The CD contains a revised emissions calculation spreadsheet, an index file listing the air dispersion modeling files on the CD, and the modeling inputs and outputs for each of the scenarios modeled.

Please contact Michael Witzing of GenPower at 617-340-4554 to discuss this information and any questions you may have. Thank you for your assistance.
