Permit Application Supplemental Data
Application No. 17924, dated January 17, 2008

Dear Mr. Jackson:

On behalf of our client Power4Georgians, LLC (P4G) enclosed is a CD containing supplemental information to the above referenced air permit application. The enclosed supplemental information includes documentation recently submitted to the Georgia EPD regarding pages in the application which references fluorides (as HF), as well as a new exhibit to the application (Exhibit F), which includes a PM_{2.5} BACT analysis for the facility.

If you have any questions please contact Justin Fickas at (770) 421-3335.

Sincerely,
MACTEC Engineering and Consulting, Inc.
