Dear Mr. Capp:

Thank you for the January 29, 2013, hard copy original of the emissions inventory (EI) quality assurance project plan (QAPP) submitted by the Georgia Environmental Protection Division (GA EPD.) The EI QAPP is developed and submitted by the GA EPD per a section 105 Air Planning Agreement grant condition. The U.S. Environmental Protection Agency has completed our review and recommends that the EI QAPP be approved.

Enclosed with this approval letter for the EI QAPP is the signed QAPP. If you have any comments or questions, please contact Brenda Johnson of the EPA Region 4 staff at (404) 562-9037.

Sincerely,
