Dear Mr. Lewis:

The Georgia Environmental Protection Division (EPD) received your Annual CCR Management and Dust Control Report (Report) for the subject site on March 27, 2024. The Report describes operational activities from the previous year to demonstrate compliance with the CCR Management Plan initially approved by the EPD on May 23, 2017. Based on a review of the data submitted, this facility may continue management under the existing plan for one (1) year. An updated annual Report for the 2024 calendar year (i.e., January 1 to December 31, 2024) must be received by EPD no later than April 1, 2025, or you must cease receipt of CCR on May 21, 2025.
