**Notice of Draft Groundwater Withdrawal Permit –
CEMEX – Clinchfield Cement Plant – September 25, 2024**

The Georgia Environmental Protection Division (EPD) announces its intent to issue a Modified Groundwater Withdrawal Permit No. 076-0013 for water withdrawal of 0.500 MGD/ 0.500 MGD (Monthly Average/Annual Average in million gallons per day) from eight well(s) in the Cretaceous Sand aquifer for the purpose of sanitary facilities, cooling water, process water for cement operations, and a central water supply.

MODIFIED GROUNDWATER WITHDRAWAL PERMIT

Permittee's Name: CEMEX – Clinchfield Cement Plant

Permittee's Address: Clinchfield, GA 31013

River Basin / County: Ocmulgee / Houston County

Comment Period Expires: October 25, 2024

Additional Information: The draft permit and all information used to develop the draft permit are available for review. The information includes the application and all relevant supporting materials available to the permitting authority used in the permit review process. This information is available for review at the office of the Watershed Protection Branch, 2 Martin Luther King Jr. Dr., S.E., East Floyd Towers, Suite 1052, Atlanta, Georgia 30334. All comments received prior to or on the comment period expiration date above will be considered in the formulation of final determinations regarding the permit.

Persons wishing to comment on the draft permit should submit their comments in writing to the address listed below, or alternatively to EPDComments@dnr.ga.gov. Please include “Groundwater Application for the CEMEX – Clinchfield Cement Plant” in the subject line to help ensure that your comments will be forwarded to the correct staff.
