RE: Release Notification  
Bridgestone Bandag LLC- Griffin Plant  
802 Greenbelt Parkway  
Griffin, GA 30223

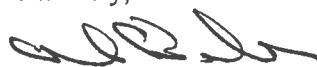

Dear Mr. Fountain:

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-05(1) "Listing on the Hazardous Site Inventory," the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your release notification that was submitted on February 6, 2014 and supplemental release notification dated March 26, 2014, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as a no release to soil and groundwater based on post remediation sampling data. Enclosed is a copy of our inspection report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-9-04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which the title or an interest in this property is transferred. Please direct questions regarding this matter to Elise Chew of the Response and Remediation Program at 404-653-7555.

Sincerely,

David Brownlee  
Unit Coordinator

Dear Mr. Jaeb:

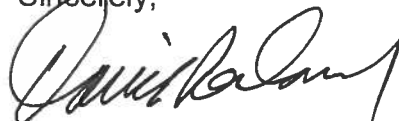

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory," the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including your notification dated March 23, 2014, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as having unlimited access, non-residential use with a release to groundwater below the MCL. Enclosed is a copy of our inspection report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-9.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to Jonathan Callura of the Response and Remediation Program at (404) 232-1502.

Sincerely,

Dear Mr. Miller:

Pursuant to the Rules for Hazardous Site Response, specifically Rule 391-3-19-.05(1) "Listing on the Hazardous Site Inventory," the Environmental Protection Division (EPD) has evaluated the above referenced property to determine whether a release exceeding a reportable quantity has occurred.

**Based upon the information available to EPD at the time this evaluation was done, including the Release Notification dated April 3, 2014, EPD has no reason to believe that a release exceeding a reportable quantity has occurred at this property.** The property was evaluated as non-residential use, with a known release to soil and suspected release to groundwater. Enclosed is a copy of our trip report, recommendation memorandum, and Reportable Quantities Screening Method (RQSM) score sheet that summarize the conditions used to evaluate this property. Based on this information, this property will not be listed on the Hazardous Site Inventory.

As provided for in Section 391-3-19-.04(4) of the Rules, the owner of the property must notify EPD if they become aware of any information not provided in the notification that should have been provided, or if they become aware of any information or events that suggest changes may have occurred in any of the conditions referenced in the attached documents. Please provide a copy of this letter and the attached documents to any person to which title or an interest in this property is transferred.

Please direct questions regarding this matter to John Maddox of the Response and Remediation Program at (404) 657-0490.
