

## **Climate Pollution Reduction Grant in Georgia Information Sessions**

### **Hybrid Public Meeting**

**Date and Time:** Tuesday, February 6, 2024, 6:00 p.m. – 7:00 p.m.

**Audience:** Georgia residents interested in learning about how EPA's Climate Pollution Reduction Grant can help Georgia develop strategies for reducing greenhouse gas emissions to improve air quality.

**Description:** Join the Georgia Environmental Protection Division (EPD) Air Protection Branch and learn about the Climate Pollution Reduction Grant (CPRG) and what it can mean for you and your community. Georgia's Environmental Protection Division (EPD) was recently awarded \$3 million as part of the United States Environmental Protection Agency's (EPA) four-year Climate Pollution Reduction Grant (CPRG).

**Location: Zoom** - Attendance is limited to 300 registrants. To register for the stakeholder meeting click the following link –

**In Person** – EPD Training Center located at 4244 International Parkway, Suite 116, Atlanta, Georgia 30354

### **Hybrid Stakeholder Meeting**

**Date and Time:** Wednesday, February 7, 2024, 11:00 a.m. – 12:00 p.m.

**Audience:** Government and government partners.

**Description:** Join the Georgia Environmental Protection Division (EPD) Air Protection Branch to discuss the Climate Pollution Reduction Grant (CPRG), learn about what EPD is working on, draft list of emission reduction measures, and upcoming deadlines.

As part of the Inflation Reduction Act, the Climate Pollution Reduction Grant (CPRG) program provided \$5 billion in grants to states, local governments, tribes, and territories to develop and implement plans to reduce greenhouse gas (GHG) emissions and other harmful air pollution. This two-staged grant program provides funding of \$250 million for noncompetitive planning grants (\$3M to each lead agency to develop a Climate Pollution Reduction Plan), and \$4.6 billion for competitive implementation grants. On September 21, EPA announced Phase 2 of the CPRG program, which includes two competitions totaling \$4.6 billion: a general competition for applications from states, municipalities, tribes, tribal consortia, and territories, and a competition only for tribes, tribal consortia, and territories.
