Re: Voluntary Remediation Program Application
Epic Midstream Savannah North Terminal (formerly Axeon Savannah Terminal)
7 Foundation Drive
Savannah, Chatham County, Georgia 31408

Dear Mr. Johnson:

Epic Midstream, LLC (Epic) understands that a Georgia Voluntary Remediation Program Act (O.C.G.A. § 12-8-100) application for the Axeon Savannah Terminal site was submitted to the Georgia Environmental Protection Division (EPD) on August 8, 2015. In a letter dated November 24, 2015, the Georgia EPD stated that Axeon Specialty Products had been accepted as a participant as defined in the Voluntary Remediation Program (VRP). Epic purchased the Axeon Savannah Terminal from Axeon Specialty Products on December 22, 2015 and intends to continue voluntary investigation and remediation in general accordance with the previously approved VRP application. The attached Voluntary Investigation and Remediation Application Form has been revised to demonstrate the transfer of site ownership to Epic. The facility will henceforth be referred to as Epic Midstream Savannah North Terminal.

If you have any questions concerning the above, please contact me at (478) 733-5500.

Sincerely,

A handwritten signature in cursive script that reads 'Linda Ferguson'.
