**Re: December 2016 VRP Progress Report  
Former Avery Dennison Corporation Property, Flowery Branch, Hall County, Georgia  
HSI No. 10578; Tax Parcel ID 08073 000003D**

Dear Mr. Brownlee:

The purpose of this letter is, on behalf of Avery Dennison Corporation (ADC), to provide the December 2016 semi-annual progress update regarding the former ADC property located at 4350 Avery Drive in Flowery Branch, GA (the Property).

Since the last Voluntary Remediation Program (VRP) Progress Report was submitted to EPD on June 5, 2016 (the reporting period), the following activities have been performed:

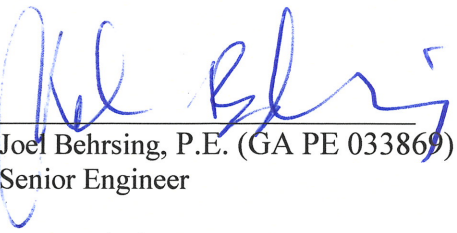

- On behalf of ADC, The Johnson Company, Inc. (JCO) submitted a July 19, 2016 letter to EPD that responded to EPD's April 28, 2016 letter to ADC. The July 19, 2016 submittal confirmed there is no current complete risk exposure pathway for vapor intrusion in the former ADC facility.
- ADC and JCO met with EPD's new project manager, Mr. Barrett Fischer, on August 25, 2016 to provide an orientation to the project and to discuss next steps.

The Engineer of Record, Mr. Joel Behrsing, P.E. (GA), provided 11.75 hours of oversight during the reporting period, including review of the July 19, 2016 submittal and points of discussion for the August meeting with EPD, and discussions related to Compliance Status Report (CSR) preparation.

ADC has now commenced preparation of the CSR, and plans to submit the document to EPD prior to February, 28, 2017.

Sincerely,  
THE JOHNSON COMPANY, INC.
