PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

June 8, 2021
Advisory Issue Date

Chatham County
City/County

July 7, 2021
Advisory Close Date

BV-025-21-05
Control Number

Brampton Road Connector Chatham County
(GPS Coordinates: 32.105191, -81.141151)

Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Arnettia Murphy at (404) 656-4157 or e-mail arnettia.murphy@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(a-k)}: a & h

Description and Location of Proposed Activity: The proposed project will impact Canal (CL) 2, CL 3, CL 4, CL 5, CL 7, CL 8, CL 12, and CL 13. The project will create a new roadway beginning at the intersection of State Route (SR) 25/Main Street and SR 25 Connector/Burnsed Boulevard and ending at existing Brampton Road in Garden City, Chatham County, Georgia. The project will impact the state mandated 25-ft buffer within the Lower Savannah River Watershed (HUC 03060109). The disturbance will cover 54,482 square feet and include placement of fill, clearing for roadway construction, clearing for utility rights-of-way, installation of curb and gutter, removal of existing railroad tracks, installation of utility poles, construction access, and the installation of Best Management Practices (BMPs).

Name and Address of Permit Applicant:

Mr. Eric Duff
Georgia Department of Transportation
Office of Environmental Services
600 W. Peachtree Street, NW, 16th Floor
Atlanta, Georgia 30308

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
