PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

March 17, 2020
Notice Issue Date

Brookhaven / DeKalb County
City / County

April 16, 2020
Notice Close Date

BV-044-20-02
Control Number

City of Brookhaven – Murphey Candler Park – Floating Trash / Litter Trap
4051 Candler Lake West NE, Brookhaven, GA 30319
(GPS Coordinates: 33.915032, -84.326558)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Arnettia Murphy at (404) 656-4147 or email arnettia.murphy@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed project will consist of constructing a gravel access road (6-inch compacted gravel aggregate base (GAB) material) for the installation and maintenance of a floating, in-stream trash / litter trap in North Fork Nancy Creek in Murphey Candler Park in Brookhaven. All disturbed areas will be returned to original grade and stabilized with mulching and permanent vegetation and restored to current conditions to the extent practicable. This project will result in approximately 75 linear feet total (1,655 square feet total) of buffer impacts along North Fork Nancy Creek, a tributary to Murphey Candler Lake in the *Upper Chattahoochee Watershed*.

Name and Address of Permit Applicant: Hari Karikaran, P.E., Director
City of Brookhaven Public Works Department
4362 Peachtree Road
Brookhaven, GA 30319

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
