

## **C Chemical, Physical, and Waste Analyses**

### **C.1 Chemical and Physical Analyses (Optional) [40 CFR 270.14(b)(2); 264.13(a)]**

Because the regulated unit (closed landfill) has been closed since 1988, this section is not applicable.

### **C.2 Waste Analysis Plan [40 CFR 270.14(b)(3); 264.13(b),(c); 266.102(a)(2)(ii); 266.104(a)(2); 268.7]**

Because the regulated unit (closed landfill) has been closed since 1988, this section is not applicable. No leachate collection systems are in place, and no runoff is exposed to waste or other sources of contamination.
