Submittal ID: 560911**

Dear Mr. Gamble,

The Georgia Environmental Protection Division (EPD) received your Annual CCR Management and Dust Control Report (Report) for the subject site on March 31, 2021. The Report describes operational activities from the previous year to demonstrate compliance with the CCR Management Plan approved by EPD on March 28, 2019. Based on a review of the data submitted, this facility may continue CCR management under the existing plan for one (1) year. An updated annual Report for the 2021 calendar year (i.e. January 1 to December 31, 2021) must be received by EPD via the Georgia EPD Online System (GEOS) no later than April 1, 2022 or you must cease receipt of CCR on May 21, 2022.

If you have any questions regarding this letter, please contact Keith Stevens at (404) 362-2539.

Sincerely

Keith Stevens
