Georgia Certified Lead Firms for Lead Abatement, Lead Inspections, and Lead Risk Assessments (as of April 21, 2015)

This list is provided as a service to persons looking for certified lead-based paint contractors and individuals. It is not meant to advertise or endorse any of the listed firms and individuals. The list is updated approximately every six (6) months; therefore, it is important to request proof of current certifications from any persons or firms before hiring them to perform lead abatement work.
