Mr. Pouncey:

The Georgia Environmental Protection Division (EPD) has completed its review of the First Semi Annual Progress Report dated December 30, 2016, for the above referenced Site. Based on the review of this report and according to the discussions held during the meetings between EPD and site representatives on February 13th and March 21st, 2018, EPD understands that additional investigations have been completed and additional corrective actions for the site will be developed. Please ensure that Second Semi Annual Progress Report, which is overdue and should be submitted by no later than July 2, 2018, includes the additional investigation, delineation, and corrective action data and information referenced in the above noted meetings.

Please note that EPD is shifting the management of the Bright Hour Trust Property Site 10894 to a new Unit and associated compliance officer. From this point forward, if you have any questions regarding this matter, please contact William Lucas of the Response and Remediation Program at (404) 656-3851.

Sincerely,

Kevin Collins
Unit Coordinator
