Dear Mr. Watters:

The Georgia Environmental Protection Division (EPD) has received the Biochlor Model Revisions (revisions) dated June 26, 2015. The revisions were submitted in response to EPD comments dated April 23, 2015. EPD has reviewed the document and considers the comments satisfactorily addressed and the model revisions acceptable.

If you have any questions, please contact Susan Kibler of my staff at (404) 657-0492.

Sincerely,

David Hayes
Acting Unit Coordinator
Response and Remediation Program
