

The Georgia Environmental Protection Division invites the residents of Talmo and the communities surrounding the former Agri-Cycle facility to a community meeting on Tuesday, September 11, 2018 from 6:00 PM – 7:00 PM at the North Jackson Elementary School Gym located at 1880 Old Gainesville Highway in Talmo. At the meeting, we will present our clean-up plans for the former Agri-Cycle facility abandoned wastewater ponds. Our contractor, Kemron Environmental Services, will be on-hand to answer questions. For more information regarding this meeting, please contact Susan Kibler at 404-657-7126 or susan.kibler@dnr.ga.gov.
