Re: EPD Comments on 2017 Annual Property Evaluation/Groundwater Monitoring Report  
Diversey Olympic Manufacturing (Former), HSI Site Number 10435 (delisted)  
Smyrna, Georgia; Cobb County

Dear Mr. Sheldon:

The Georgia Environmental Protection Division (EPD) is in receipt of the above-referenced report. Having completed our review, we find that the report is satisfactory. When referencing remediation standards in future annual reports, as was done in the last column of Table 2, please include the source of the referenced value (Type 1 RRS, Type 2 RRS, etc.).

Pursuant to the terms of the Uniform Environmental Covenant (UEC) for the former Diversey property at 3051 Olympic Industrial Drive in Smyrna, Georgia, UEC ID Number 2017-0068659, recorded by the Superior Court of Cobb County on June 20, 2017, the next Property Evaluation/Groundwater Monitoring Report is due to EPD by March 30, 2019.

If you have any questions, please contact Allan Nix of the Response and Remediation Program at (404) 657-3935.

Sincerely,

A handwritten signature in blue ink, appearing to read "David Brownlee".
