

## **Moving Your Portable Crushing Plant**

### ***Instructions for Advance Notification, as Required by your Permit.***

Your air quality permit contains a requirement (usually condition 7.2 of your permit) that you **supply advance written notification when you move your crushing plant to another location.** The condition says that the notification is to be submitted to “**the Division**”, which means the Georgia Environmental Division (EPD). Please read Condition 7.2 to make sure you understand **when** the written notification must be submitted.

#### **As specified in your permit condition, your notification must include:**

- (1) the present location,
- (2) the new location,
- (3) the anticipated date of startup,
- (4) the expected period of time the plant will remain at the new location,
- (5) a description of the crushing required at the new location, and
- (6) a map with sufficient information to allow Division personnel to locate the plant for inspection.

#### **Notification Form**

Attached you will find a blank, notification form. Please complete the notification form **every** time you plan to move your crushing operation to another location.

Attached you will also find an example of a completed notification form for **Company XYZ** that is considered acceptable to satisfy your permit condition.

#### **Submittal of Notification Form**

Submit the completed notification form **by mail or by Fax** to the EPD District Office that serves the county in which the crushing plant will be located. Page 2 of this document identifies the *District Offices and the counties served.*
