Flowery Branch, Hall County, Georgia

Dear Mr. Gallagher:

The Georgia Environmental Protection Division (EPD) has reviewed the Voluntary Remediation Program (VRP) Final Compliance Status Report (CSR) and draft Uniform Environmental Covenant (UEC) dated May 23, 2017. EPD concurs with your certification of compliance that the site will be in compliance with Type 3/4 risk reduction standards (RRS) for soil and Type 5 RRS for groundwater for tax parcels 08073 000003D and 08073 000018 upon execution and recording of the UEC.

Please provide the signed UEC to EPD by March 30, 2018, along with documentation verifying that the UEC has been provided to all interested parties and property abutters in accordance with the Uniform Environmental Covenant Act. If you have any questions regarding this matter, please contact Mr. Barrett Fischer at (404) 463-7555.

Sincerely,

Jason Metzger
