Dear Mr. Johnson:

The Georgia Environmental Protection Division (EPD) has reviewed the October 2016 Voluntary Remediation Program (VRP) Compliance Status Report (CSR), submitted for the referenced site pursuant to the Georgia Voluntary Remediation Program Act (the Act), O.C.G.A. 12-8-100. Based upon EPD's review of this document and information in its files, EPD has determined that the CSR is complete and that the above referenced site has met the requirements of the Act. Furthermore, EPD concurs with your certification that the soil and groundwater at Tax Parcels 6-0737-01-009 and 6-0737-01-010 are in compliance with residential risk reduction standards as documented in the VRP CSR. Therefore, EPD has determined that Consent Order (CO) EPD-VRP-014 will be terminated in accordance with Condition # 7 of the CO as of the date of this letter.

Should you have any questions, please contact Kevin Collins at 404-657-8610.

Sincerely,

Richard E. Dunn  
Director
