RE: Removal of Property from the Hazardous Site Inventory  
Columbia County Car Care Center, HSI No. 10394  
4014 Washington Road, Tax Parcel 079/133  
Martinez, Columbia County, Georgia

Dear Dr. Singh:

The Georgia Environmental Protection Division (EPD) has reviewed the Voluntary Remediation Program (VRP) Compliance Status Report (CSR), dated April 17, 2017 for the above referenced property. Based on that review, EPD has determined that the CSR is complete in accordance with the Voluntary Remediation Program Act (Act) §12-8-100 and concurs with your certification of compliance that this property is in compliance with Type 2 risk reduction standards (RRS) for soils and Type 2 RRS for groundwater. Therefore, EPD is removing the above referenced property, Parcel 079/133, from the Hazardous Site Inventory in accordance with 391-3-19-.05(4)(b) of the Rules for Hazardous Site Response (Rules) and §12-8-107 (f) of the VRP Act (the Act) as of the date of this letter. In addition, Consent Order (CO) EPD-VRP-006 is terminated in accordance with Condition # 6 of the CO as of the date of this letter.

As required by Subparagraph 391-3-19-.06(5)(f) of the Rules, a public notice announcing this determination shall be published in The Columbia County News-Times.

If you have any questions regarding this matter, please contact Montague McPherson at 404-657-0483.

Sincerely,

A handwritten signature in black ink that reads "R. Dunn". The signature is fluid and cursive, with a large, sweeping "D" and "n".

Richard E. Dunn  
Director
