Re: Removal from the Hazardous Site Inventory
Gwinnett Distribution Center Property, Tax Parcel # R6267-026
North Berkeley Lake Road Site, HSI 10844
Duluth, Gwinnett County, GA

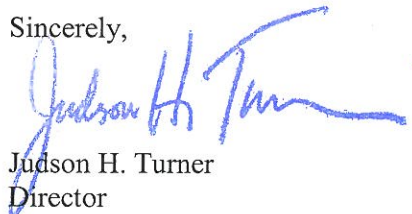

Dear Mr. Murray:

The Georgia Environmental Protection Division (EPD) has determined that the Voluntary Remediation Program (VRP) Compliance Status Report (CSR), dated February 27, 2015, and associated executed Uniform Environmental Covenant (UEC), recorded July 14, 2015, for the above referenced property are complete in accordance with the Georgia Voluntary Remediation Program Act (the Act) O.C.G.A. § 12-8-100. Furthermore, EPD concurs with your certification of compliance with Type 5 risk reduction standards established within the referenced CSR, which requires a UEC prohibiting residential use of the property and restricting the use of groundwater. Therefore, EPD is removing parcel R6267 026 from the Hazardous Site Inventory in accordance with Subparagraph 391-3-19-.05(4)(b) of the Rules for Hazardous Site Response (the Rules) and §12-8-107(f) and (g)(2) of the Act as of the date of this letter.

As required by Subparagraph 391-3-19-.06(5)(f) of the Rules, a public notice announcing this determination shall be published in *The Gwinnett Daily Post*.

If you have any questions, please contact Kevin Collins of the Response and Remediation Program at (404) 463-0530.

Sincerely,

Judson H. Turner
Director
