

FY25 RWD and Tire Grants Questions Log		
Question	Answer	Grant
Can you receive a new RWD grant award in the same fiscal year if your entity has an open project from a previous RWD grant cycle?	No, awardees from a previous grant cycle must fully complete the terms of their agreement to be eligible to apply and receive funding under that same grant track. The applicant is welcome to apply for funding for the other two grants, but cannot have more than one active award agreement per the RWD or Tire grants at a time.	Applicable to both RWD and Tire Grants
Are there any bonus points for a match when a match is not required?	No, there are no bonus points for matches. Bonus points are for projects that involve more than one eligible entity and for using Georgia-based vendors.	Applicable to both RWD and Tire Grants
What documentation is needed to prove collaboration between multiple eligible entities?	Documentation such as letters of support, or an organization chart showing roles and responsibilities, will suffice as documentation.	Applicable to both RWD and Tire Grants
Do we need to have our vendor complete the Contractor Affidavit and W-9 forms?	Both the Contractor Affidavit and W-9 forms should be completed by the applicant not the vendor.	Applicable to both RWD and Tire Grants
