RE: Industrial Pretreatment Program
Approved Substantial Modifications
LAS Permit No. GAJ020114
Hart County, Savannah River Basin

Dear Mr. Lystiuk:

The Environmental Protection Division (EPD) has made a determination to move forward in the approval of the modification to the City of Hartwell industrial pretreatment program.

Enclosed is a public notice to be published for one day in the largest daily newspaper in the area. This notice does not require a public comment period. The cost of publishing the public notice is the responsibility of the Authority. Please provide this office with a copy of the published notice within 10 days of the publication date.

If you have any questions or comments, please contact Ian McDowell at (470) 604-9483 or ian.mcdowell@dnr.ga.gov.

Sincerely,

Whitney Fenwick, Manager
Industrial Permitting Unit

WF/IM

PUBLIC NOTICE

Local Pretreatment Program Approval

In accordance with Chapter 391-3-6-.09, Rules and Regulations for Water Quality Control, notice is hereby given of approval by the Georgia Environmental Protection Division of changes to a local pretreatment program for the City of Hartwell covering the City of Hartwell LAS (GAJ020114). This modification will serve to revise the required self-monitoring frequency of the permitted industrial user, DRiV. The pretreatment program provides for the administration and enforcement of pretreatment standards for industrial users of the publicly owned treatment works.
