PUBLIC ADVISORY
November 2022

Recovered Materials Unit

Contact: Sarah Knapp, 470-524-0632

- Draft site limitations for the New Earth processing facility in Bartow County were posted on the EPD Public Advisory page for public comment on November 3, 2022.

Solid Waste Permitting Unit

Contact: Keith Stevens, 470-251-2515

- The Director issued a Permit to Rayonier Performance Fibers on October 21, 2022. The permit, number 151-012D(LI), allows for the vertical expansion of the private industrial landfill in addition to finalizing the facility's five-year permit review. The facility is located near the City of Jessup in Wayne County.
- A draft permit was posted for public comment on October 27, 2022, for Georgia Power Plant Bowen CCR Landfill. The permit will allow Georgia Power to operate, expand, and close the CCR landfill via closure in-place of CCR, at the facility located near Cartersville in Bartow County. The public comment period extends thru November 28, 2022.
- A draft permit was posted for public comment on October 31, 2022, for Georgia Power Plant Wansley CCR Landfill. The permit will allow Georgia Power to operate, expand, and close the CCR landfill via closure in-place of CCR, at the facility located near Carrolton in Heard County. The public comment period extends through December 1, 2022.
- The Solid Waste Permitting Unit received a major modification application for the vertical and horizontal expansion of the Jenkins County C&D Landfill near Millen, Georgia.
