Dear Mr. Metzger:

BBJ Group, LLC (BBJ Group), on behalf of Man Investment Holdings, Inc. (Man), is submitting this Semi-Annual Progress Report No. 2 for the Birdsong Peanut Facility, located at 608 East Main Street (Highway 91) in Colquitt, Georgia (Subject Property). This letter covers all site activities and Voluntary Remediation Program (VRP) progress at the Subject Property from December 19, 2016 until May 22, 2017. No on-site activities have been conducted at the Subject Property during this timeframe.

On May 19, 2017, BBJ Group submitted the Compliance Status Report (CSR) for the Subject Property to the Georgia Environmental Protection Division (EPD). A Uniform Environmental Covenant (UEC) was included with the submittal of the CSR. The Georgia EPD previously approved the UEC via electronic correspondence from Peter Johnson on September 29, 2016.

If you have any questions regarding this letter, please contact Ms. Leah Gies at 312-219-7778 or by email at [lgies@bbjgroup.com](mailto:lgies@bbjgroup.com).

Sincerely,

**BBJ GROUP, LLC**
