

**EPD Stakeholder Meeting**  
**Land Protection Branch**  
**Discussion of Solid Waste Guidance Documents**

The Georgia Environmental Protection Division's (EPD) Land Protection Branch is conducting a stakeholder meeting to discuss new and updated guidance documents for the Five Year Permit Review, Underdrain Systems, Groundwater Release Notification Requirements, and Transfer Station and Collection Operations. The meeting will be held May 1, 2018 from 10 a.m. to 3 p.m. at the Tradeport Training Room, 4244 International Parkway, Atlanta, GA 30354. The schedule is as follows:

- 10 a. m. – Noon: Five Year Permit Review, Underdrain Systems at Solid Waste Facilities, and Groundwater Release Notification Requirements
- Noon – 1 p.m.: Break
- 1 – 3 p.m.: Transfer Station and Collection Operations

The purpose of the meeting is to inform and solicit input from the public and impacted organizations regarding the development of guidance documents to correspond with the updated Rules for Solid Waste Management (391-3-4), effective March 28, 2018.

EPD's primary goals and objectives are to ensure that stakeholders are given the opportunity to understand the rule changes and EPD's interpretation of them in the form of guidance documents. EPD will also listen to comments and address stakeholder questions.

Please note that registration is required (no fee) in order for us to ensure that there is adequate seating for interested attendees. Register at the following link:
