

## **PUBLIC ANNOUNCEMENT**

The City of Social Circle has made an application to the Georgia Department of Natural Resources, Environmental Protection Division (EPD), and the Georgia Environmental Finance Authority (GEFA) for a loan through the State Revolving Fund (SRF). EPD posted a public notice for the proposed Notice of No Significant Impact determination from June 25, 2019 to July 25, 2019. The project consists of pump consolidation, installation of force main, and installation of gravity sewer for new service connections. The applicant has certified that the project is environmentally sound. As required by the Federal Clean Water Act, an environmental review has been performed on the project.

EPD received public comments regarding the proposed project. The City of Social Circle has notified EPD that the project has been suspended until further notice. The City is conducting a public meeting on Monday, October 7, 2019 from 4:00 pm – 7:00 pm at the Community Room of the Social Circle City Hall, located at 138 E Hightower Trail, Social Circle, Georgia 30025. The City will be discussing the Wastewater Master Plan, detailing the improvements for the wastewater collection system which includes the aforementioned project. Please visit the Social Circle website at [socialcirclega.gov](http://socialcirclega.gov) for more details.
