The Georgia Environmental Protection Division (EPD) Watershed Protection Branch will hold a public meeting to discuss draft rule amendments and planned improvements to the Branch's public notification procedures. The meeting will be held on **Wednesday, January 15, 2020 beginning at 10:00 am** at the EPD Tradeport Training Room located at 4244 International Parkway, Suite 116, Atlanta, GA 30354.

The draft rule amendments incorporate electronic public notice procedures. To facilitate electronic public notice in conjunction with the draft rule amendments, the Branch intends to make improvements to its public notification procedures for both NPDES-related public notices, as well as for other permitting and non-permitting related topics.

The purpose of this meeting is to inform and solicit input from the public and impacted organizations regarding the draft rule amendments and improvements to the Branch's public notification procedures. EPD will also listen to comments and address stakeholder questions during the meeting.
