WATERSHED PROTECTION BRANCH

August 21, 2019
Notice Issue Date

Polk County
City/County

September 20, 2019
Notice Close Date

BV-115-19-01
Control Number

Polk County Airport Runway 10-28 Extension
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Clara Davis at (404) 463-2382 or e-mail clara.davis@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: H

Description and Location of Proposed Activity:

Polk County proposes to permanently impact 290 linear feet (15,541 ft²) of stream and buffer with pipe and fill along an unnamed tributary to Fish Creek to extend Polk County runway 10-28 at the Polk County Airport. The overall project include extending, marking and lighting Runway 10-28 for 1,054 feet for a total of 5,060 feet; construct a taxi turn-around at the end of the Runway, construct a runway safety area of 300 feet x150 feet on both ends of the runway, relocate precision approach path indicators, remark airfield and clear obstructions.

Name and Address of Permit Applicant: Mr. Matthew Denton
Polk County Manager
Polk County Board of Commissioners
P.O. Box 268
Cedartown, Georgia 30125

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
