Notice Close Date

BV-056-22-01
Control Number

State Route 74/Valleywood Road
(GPS Coordinates: 33.472496, -84.586437)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Arnettia Murphy at (404) 656-4147 or email arnettia.murphy@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

This project will convert an existing dam to a stormwater detention pond to service a proposed subdivision. The work within the buffer includes draining and desiccation of substrates, installation of reinforced concrete pipes, and updating the existing roadway atop the dam crest. After construction all practicable areas will be planted with dam appropriate vegetation. The proposed project will result in 210 linear feet of buffer impacts (11,145 ft²) along an unnamed tributary to Lake Kedron and Flat Creek in the Upper Flint Watershed.

Name and Address of Permit Applicant: Mr. Steven Gresham
Director of Land Planning and Entitlements, Georgia Division
Pulte Home Company
2475 Northwinds Parkway
Suite 600
Alpharetta, GA 30009

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
