Notice Issue Date

Sandy Springs/Fulton County
City / County

July 21, 2022
Notice Close Date

BV-060-22-05
Control Number

Falcon Chase Pond and Pipe Rehabilitation
(GPS Coordinates: 33.902301, -84.357297)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Arnettia Murphy at (404) 656-4147 or email arnettia.murphy@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

This project will rehabilitate an existing pond and associated piping by dredging and removing accumulated pond sediment, grading in a stilling basin at the main inlet pipe, grading in a forebay and a micropool, removing necessary trees within the pond access easement, and installing the necessary piping and outlet control structure retro-fits to achieve the desired pond flows. After construction is complete the area will be seeded and grassed to allow for continued maintenance. The proposed project will result in 163 linear feet (7,333 square ft) of buffer disturbance lasting between 4 and 6 months located a tributary to Nancy Creek in the Chattahoochee Watershed.

Name and Address of Permit Applicant: Mr. Cameron Wolfe
City of Sandy Springs
1 Galambos Way
Sandy Springs, GA 30328

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
