March 17, 2021
Notice Issue Date

Brunswick/Glynn County
City / County

April 18, 2021
Notice Close Date

CMV-063-21-03
Control Number

MLK Boulevard Multi-Use Trail Extension
(GPS Coordinates: 31.135916, -81.479117)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Arnettia Murphy at (404) 656-4147 or email arnettia.murphy@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-6 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (f)

Description and Location of Proposed Activity:

This project will remove an existing asphalt shoulder and connect to an existing multi-use trail. The design of the trail was created with minimal buffer disturbance in mind. No new impervious surface is to be added in the buffer. Permanent vegetation will be planted alongside the trail to stabilize the soil. The proposed project will result in 208.8 total linear feet (1,514.64 total square feet) of buffer disturbance lasting approximately 6 months starting at US17 and 4th Avenue, proceeding westward along 4th Avenue, upstream of Plantation Creek in the Satilla Watershed.

Name and Address of Permit Applicant: Mr. Garrow Alberson
Department of Engineering Director, City of Brunswick
525 Lakewood Avenue
Brunswick, GA 31520

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
