

Please note: EPD is extending the comment deadline for input on the draft revised Guidelines noted below to September 14, 2018.

**EPD Watershed Protection Branch
Notice of Public Meeting for the
Revisions to the Guidelines for Slow-Rate Land
Treatment by Spray Irrigation and Guidelines for
Land Application by Drip Irrigation Documents**

This notice is to announce that the Georgia Environmental Protection Division (EPD) Watershed Protection Branch will be hosting a workshop on **Monday, August 6, 2018 from 10:00 am to 12:00 pm** at the EPD Tradeport Training Room located at 4244 International Parkway, Suite 114, Atlanta, GA 30354. This workshop is to review and discuss proposed changes to the [Guidelines for Slow-Rate Land Treatment by Spray Irrigation](#) and [Guidelines for Land Application by Drip Irrigation](#) documents.

The purpose of this meeting is to provide the public and stakeholders with an opportunity to learn about and provide comments and input on changes to these documents. A copy of the current version of the [Guidelines for Slow-Rate Land Treatment by Spray Irrigation](#) and [Guidelines for Land Application by Drip Irrigation](#) documents are available online now, as well as proposed changes to the Guidelines, can be found after July 1, 2018 at <https://epd.georgia.gov/technical-environmental-review-guidance-and-forms>.

EPD will consider the discussions held and comments received during the stakeholder process for the revisions of this document. Please share this information with persons who may be interested. To insure their consideration, written comments should be received on or before August 15, 2018.

Written comments may be sent to EPDComments@dnr.ga.gov or mailed to Environmental Protection Division, Watershed Protection Branch, Watershed Planning & Monitoring Program, Suite 1152 East, 2 Martin Luther King, Jr., Dr., Atlanta, GA 30334. If you choose to e-mail your comments, please include the word “Land Treatment System Guidelines” in the subject line to help ensure that your comments will be forwarded to the correct staff.
