

EPD Workshop “Calculating Risk Reduction Standards”

The Georgia Environmental Protection Division (EPD) Land Protection Branch (LPB) is hosting a workshop “Calculating Risk Reduction Standards (RRS)” on March 14, 2019 from 1:00 to 2:30 PM. The workshop will be held in the Tradeport Training Room at the following address:

4244 International Parkway
Atlanta, Georgia 30354

The purpose of this workshop is to demonstrate the process of calculating soil and groundwater cleanup standards (RRS) under the recently revised Rules for Hazardous Site Response (391-3-19). Members of LPB’s Risk Assessment Unit and Response and Remediation Program will be presenting.

Please note that registration is required (no fee) in order for us to ensure that there is adequate seating for interested attendees. You may register for the March 14, 2019 workshop at the following link:
