

EPD Workshop

“Calculating Risk Reduction Standards”

The Georgia Environmental Protection Division (EPD) Land Protection Branch (LPB) is hosting a workshop “Calculating Risk Reduction Standards (RRS)” on August 8, 2019 from 10:00 to 11:30 AM. The workshop will be held in Training Room 1514 at the following address:

Sloppy Floyd Building
200 Piedmont Avenue SE
Suite 1514 West Tower
Atlanta, Georgia 30334

The purpose of this workshop is to demonstrate the process of calculating soil and groundwater cleanup standards (RRS) under the recently revised Rules for Hazardous Site Response (391-3-19). Members of LPB’s Risk Assessment Unit and Response and Remediation Program will be presenting. This will be a repeat of the workshop hosted in March 2019 and registration is not required for this workshop.

The Sloppy Floyd Building is located diagonally across from the State Capitol. Public parking is available for \$10 at the Pete Hackney parking deck on Jesse Hill Jr. Drive SE. Please arrive at least 10 minutes early to check-in at the **West** Floyd Towers security desk (you must have a government issued ID). Proceed to the 15th floor where you will be directed to the training room.

If you have additional questions or need special accommodations, please contact Jill Clark at 404-657-8618 or by e-mail at jill.clark@dnr.ga.gov.
