Note: Release, source and cause information is based on underground storage tanks regulated under Subtitle I that satisfy the definition of UST in 40 CFR 280.12, except for those USTs identified in 40 CFR 280.10(b) UST's deferred in 40 CFR 280.10(c) and those used for emergency power generation (deferred from release detection by 40 CFR 280.10(d)) are included as part of the public record.

This report reflects data from releases reported to EPD during the time period of the report. Source and cause data were collected using on-site inspections and reports from facilities. The locations of these releases were not identifiable. "OTHER" is an identifiable source that does not fit specific locations identified in the chart.
