PUBLIC NOTICE
WATERSHED PROTECTION BRANCH

December 4, 2017
Notice Issue Date

Cherokee County
City/County

January 3, 2018
Notice Close Date

BV-028-17-04
Control Number

Pine Bluff Landfill Expansion
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or e-mail thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: H & K(2)

Description and Location of Proposed Activity:

The applicant proposes to permanently impact a total of 9,559 linear feet (471,477 ft²) of stream and buffer along nine unnamed tributaries to the Etowah River and two unnamed tributaries to Riggin Creek to expand the existing landfill in order to meet the demands of present and future waste storage for portions of the metro Atlanta and northwest Georgia region. Impacts will include clearing, grading, fill, installation of new, fully lined landfill cells, construction of stormwater ponds, and installation of best-management practices. The project is located 2.2 mi. on E. Cherokee Rd. from the intersection of East Cherokee Rd. and Ball Ground Hwy.

Name and Address of Permit Applicant: Mr. John Workman
Waste Management of Metro Atlanta, Inc.
13809 East Cherokee Dr.
Ball Ground, Georgia 30107

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
