Activity
REVISED NOTICE ISSUE DATE

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Thais Edwards at (404) 463-2382 or e-mail thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2) (a-k)}: (h)

Description and Location of Proposed Activity: **The proposed project would impact Intermittent Stream 1 (IS1) and Perennial Stream 2 (PS2) for multiple improvements. These improvements include reconfiguration of the Forest Parkway/I-75 interchange ramps and the I-285/I-75 interchange ramps, operational improvements to the I-75 corridor between Forest Parkway and I-285, reconfiguration of Frontage Road along the east side of I-75, and the addition of signage approaching the improved interchanges. The project would impact the 25-foot state mandated buffer under criterion 2(h) within the Upper Flint watershed. The proposed project begins approximately 1 mile south of the northbound I-75/Forest Parkway interchange in Clayton County, Georgia and extends through the western edge of the City of Forest Park to the I-75/I-285 interchange.**

Name and Address of Permit Applicant:

Mr. Eric Duff

Georgia Department of Transportation

Office of Environmental Services

600 W. Peachtree Street, NW, 16th Floor

Atlanta, Georgia 30308

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
