Notice Close Date

BV-033-17-08  
Control Number

Atlanta Country Club Dam – Category I Dam – Rehabilitation  
(Pine Valley Road SE, Marietta, GA 30067)  
Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or email [jarell.singleton@dnr.ga.gov](mailto:jarell.singleton@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The Atlanta Country Club Dam, a high hazard Category I dam, is located on an unnamed tributary to Sope Creek (upstream of the Chattahoochee River) along Pine Valley Road in Cobb County. The proposed project will consist installing a *new* principal spillway (i.e., a reinforced concrete riser with an 18" Ø ductile iron pipe (DIP)) and a *new* auxiliary spillway (i.e., an earthen spillway channel with maintainable, permanent turf). All disturbed areas will be restored to current conditions to the extent practicable. The proposed project will result in approximately 420 linear feet total (9,150 square feet total) of buffer disturbances along the Atlanta Country Club Dam and an unnamed tributary to Sope Creek in the *Upper Chattahoochee Watershed*.

Name and Address of Permit Applicant: James Rauhuff  
Golf Course Superintendent  
Atlanta Country Club  
500 Atlanta Country Club Drive  
Marietta, GA 30067

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
