Notice Issue Date

City of Marietta
City/County

September 20, 2017
Notice Close Date

BV-033-17-09
Control Number

Southern Tea Company Expansion
Activity

This notice is issued to inform the public of a receipt of an Application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site Plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch 200 Piedmont Avenue, S.W. Suite 418 West Atlanta, Georgia 30334. Please contact Ms. Jarell Singleton at (404) 463-2382 or e-mail jarell.singleton@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 MLK Jr., Dr., SW Suite 1462 East, Atlanta, Georgia 30334

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7.05 (2)(A-K)}: K1

Description and Location of Proposed Activity:

Applicant proposes to permanently impact a total of 507 linear feet (28,246 ft²) of stream and buffer along a unnamed tributary to Sope Creek to construct a 63,000 ft² addition to the existing tea distribution facility and associated infrastructure. The project will have a total project disturbed acreage of 3.2-acres and is located at 1267 Cobb. Industrial Dr.

Name and Address of Permit Applicant: Mr. Kevin Shah
Miraloma Properties
344 New Albany Road
Moorestown, New Jersey 08057

Summary of Rules Requirements for Variance Application:

The application for a variance must include an Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
