Notice Close Date

BV-033-19-02  
Control Number

Croft and Associates, PC – Office Expansion  
(3400 Blue Springs Road, Kennesaw, GA 30144)

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Clara Davis at (404) 463-2382 or email [clara.davis@dnr.ga.gov](mailto:clara.davis@dnr.ga.gov) to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of Permit Application: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.05 (2)(a-k)}: (k)(1)

Description and Location of Proposed Activity:

The proposed project will consist of constructing a new three-story commercial office building and associated infrastructure on approximately 2.1 acres along Blue Springs Road near Quick Water Landing in Acworth. This project will include an on-site stormwater management system (including a stormwater detention vault and a Hydro International *First Defense*<sup>®</sup> *High Capacity* vortex separator). Construction activities will result in 253 linear feet total (7,180 square feet total) of buffer disturbances along an unnamed pond, a tributary to Butler Creek in the *Etowah Watershed*.

Name and Address of Permit Applicant: Jim Croft, Construction Manager  
Croft and Associates, PC  
3400 Blue Springs Road, Suite 200  
Kennesaw, GA 30114

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
