Notice Close Date

BV-036-16-05
Control Number

Columbia County Environmental Services Department
Mullins Pond – Forebay Maintenance

Activity

This notice is issued to inform the public of a receipt of an application for a variance submitted pursuant to a state environmental Law. The public is invited to comment during the 30-day period on the proposed activity. Site plans are immediately available for review and are located in the following EPD office: Watershed Protection Branch, 200 Piedmont Avenue SW, Suite 418 West, Atlanta, GA 30334. Please contact Ms. Thais Edwards at (404) 463-2387 or email thais.edwards@dnr.ga.gov to schedule an appointment to review the plans. Since the EPD has no authority to zone property or determine land use, only those comments addressing environmental issues related to air, water, and land protection will be considered in the application review process. Written comments should be submitted to: Program Manager, NonPoint Source Program, Erosion and Sedimentation Control, 2 Martin Luther King Jr. Drive SW, Suite 1462 East, Atlanta, GA 30334.

Type of PermitApplication: Variance to encroach within the 25-foot State waters buffer.

Applicable Law: Georgia Erosion and Sedimentation Act O.C.G.A. 12-7-1 et seq.

Applicable Rules: Erosion and Sedimentation Control Chapter 391-3-7

Basis under which variance shall be considered {391-3-7-.11 (2)(a-k)}: (a)

Description and Location of Proposed Activity:

The proposed project involves the maintenance (i.e., dredging) of the forebay adjacent to Mullins Pond, a maintained stormwater management facility, located along Old Evans Road and Washington Road in Columbia County. The buffer vegetation will be restored to current existing conditions. Maintenance activities will result in buffer impacts to 1,200 linear feet total (13,939 square feet total) along Mullins Pond, an impoundment on Reed Creek, in the *Middle Savannah Watershed*.

Name and Address of Permit Applicant: Shari J. Mendrick, P.G., CFM
Floodplain Manager, Stormwater Utility
Columbia County Environmental Services Department
630 Ronald Reagan Drive, Building A
Evans, GA 30809

Summary of Rules Requirements for Variance Application:

The application for a variance must include an approved Erosion and Sediment Control Plan with control measures based on sound conservation and engineering practices which meet or exceed the standards in the "Manual for Erosion and Sediment Control in Georgia" and which will minimize erosion and deposition of sediments on adjacent lands or into State waters.
